

# PUNJAB STATE POWER CORPORATION LIMITED

## PUBLIC NOTICE

**Subject: Temporary power regulatory measures on Industrial consumers of the State.**

- Due to breakdown of Talwandi Sabo Power Plant at Mansa, low level of water in various reservoirs of the State and due to delayed monsoon, following regulatory measures were imposed on Industrial consumers of the State in order to provide continuous power supply to Domestic consumers and 8 hours power supply to the Agriculture consumers: -
  - i) Weekly-off days as per PSPCL PR Circular No.9/2021 dated 5.7.2021.
  - ii) Continuous Process Industry has been restricted to 50% of their load as per PSPCL PR Circular No.10/2021 dated 5.7.2021.
  - iii) Industry shall not be levied any fixed charges during the off day for the power not used.
  - iv) Penalty on the defaulting consumers shall be leviable as per PSPCL PR Circular No.9/2021 dated 5.7.2021.
- No Regulatory measures have been imposed on small and medium supply industrial consumers, rice shellers, cattle feed units, essential Industries/services.
- PSPCL has successfully met highest ever energy demand of 3066 lakh units on 1.7.2021 surpassing the earlier record of 3018 lakh units of power supply in a single day.
- In view of the above, Cooperation from the industry is solicited. Power regulatory measures will be reviewed as soon as the situation improves. For complete details, please visit PSPCL website [www.pspcl.in](http://www.pspcl.in).
