1) P.S.E.B. Supervisory Accounts Services
(Examination) Regulations-1970/4

Para-8 - Use of Unfair Means In The Examination shall be
substituted as under:-

a) A candidate who is caught using unfair means
in the first instance, will be debarred for
two attempts(including the attempt in which the
concerned employee was caught). He/she will be
debarred for three attempts(including the attempt
for which the unfair means were employed, if this
is done in second time) and shall warrant cancelling
of papers, if this is done for the third time.
While following this method, someone who uses
unfair means three times will be debarred for
ever and will have no ground at all to complain
again. Even if such punitive action has the
ultimate effect of putting behind promotions
for ever, in case of any category, it would be
justified because this system of punishment is
stated and affords a chance of come back to
fair means, if the employee wants to improve.

b. The candidates who are found using unfair means
are also required to be served with a 'Show Cause
Notice' under the Punishment and Appeal Rules
